

The Florida ESRD Network

A Venue for Questions Regarding the Final ESRD Regulations (Conditions for Coverage)

Do you have questions about the Conditions for Coverage for End-Stage Renal Disease Facilities published April 15, 2008?

CMS is offering members of the End-Stage Renal Disease (ESRD) provider community and other ESRD stakeholders a venue to submit questions about the newly published ESRD Conditions for Coverage. The goal is to provide responses that will help providers understand the new requirements.

Questions pertaining to the ESRD Conditions for Coverage can be submitted to the CMS ESRD Final Rule Rollout mailbox at ESRD_Final_Rule_Rollout@cms.hhs.gov beginning May 12, 2008.

Please submit only questions that pertain to the Conditions for Coverage. Questions will be answered on a rolling basis.

You can link to the formal document for the Conditions for Coverage at http://www.cms.gov/CFCsAndCoPs/13_ESRD.asp

The Florida ESRD Network (Network 7) is providing this fax blast as a technical assistance activity for the Florida renal community.
