

DIALYSIS PATIENTS

IF YOU ARE IN NEED OF A DIALYSIS TREATMENT BECAUSE YOUR FACILITY IS CLOSED DUE TO DISASTER / EMERGENCY...

CALL – Any of these numbers for help getting dialysis treatment, transportation to dialysis, dialysis supplies and renal medications.

If you were dialyzing or receiving services in a facility that is part of one of these corporations, it is best to call that organization first. They can get information from your medical record, but any organization will help you. You can also call the End Stage Renal Disease (ESRD) Network that will provide the same assistance.
