Hospital Data Collection & Reporting WebEx—Live Presentation

In the Know: Data Collection & Validation

When: January 31, 2008

Time: 1:00 -2:30 PM ET

Speaker: Robin Kish, RN, MBA, CPHQ, Project Coordinator, Clinical Data Abstraction

Topics Covered:

- Overall Reliability: Q1 2007 Patterns & Trends
- Specifications Manual Version 2.4 Highlights
- Release of CART 4.3

Who Should Attend:

- Data Abstractors
- Quality Management

Enroll at least one day prior to the event by accessing <https://ifmcevents.webex.com>.
Attendee instructions will be e-mailed to you after enrolling.

- Join us at least 10 minutes prior to the presentation to ensure the automatic system set-up has been properly established. (Dial-up and high-speed connections take more and less time respectively.) This is a one-time download and future connections will be much quicker.
- If you have any questions or problems accessing the WebEx, please call the IFMC WebEx Helpline at **515-440-8555**.
- Have a separate phone line available for the teleconference portion.
- Remember to mute your phone to help cut down on background noise. Do not put your phone on hold or everyone will hear your hold music/message.
- Have your Medicare provider number available.
- Slide presentations and supporting materials will be available for download 24 hours before the webinar. Go to www.fmqai.com, click on “Events” under “Quick Links,” click on “Hospital Webinars,” and then click on the appropriate event listing.
